Nominator, please read and sign below;

- ☐ Please keep this nomination private. Do not disclose this nomination with nominee to avoid disappointment.
- ☐ All documents should be submitted digitally. No documents will be returned. No original or irreplaceable documents should be included.
- ☐ Nomination documents that exceed the required requested size will not be reviewed by the PAC National Awards Committee
- ☐ PAC will confidentially review all nominations. This may include contacting employers, regulators or other members of the paramedic community as determined by the local PAC Chapter representative. Information related to the nomination will be forwarded to the PAC awards committee for consideration.
- ☐ To the best of your knowledge, the nominee has a work and profession record free of serious discipline, misconduct, or criminal convictions (or current criminal charges). As these awards recognize exceptional contribution to the paramedic profession, nominees should not have any history that may reflect negatively on the paramedic profession or the Paramedic Association of Canada.
- ☐ Any falsified information included in a nomination will result in removing the nominee from consideration.
- ☐ The PAC National Awards Committee may, at their sole discretion, move a nomination to another category if the nomination deserves consideration for a different award category or form of PAC recognition.
- ☐ The PAC National Awards Committee reserves the right to choose not to present an award category, cancel an award at any time, including revocation of the award after presentation.
